Re: Frazier, et al. v. Morgan Stanley & Co. LLC, et al., Civil Action No. 16-cv-00804-RJS

Dear Judge Sullivan,

The parties write jointly pursuant to the Court's May 1, 2019 Order to provide a status update and to respectfully request that the stay of discovery be extended for an additional 90 days. Dkt. 123. To date, the parties have engaged in ongoing settlement communications and have exchanged documents and information to facilitate their efforts to resolve the matter. The parties have also agreed to exchange additional data regarding two of the plaintiffs. Due to the agreed data production and the parties' respective schedules, the parties anticipate that the two-day private mediation will take place in October. The parties, therefore, respectfully request that the current stay of discovery be extended for an additional 90 days.

The parties agree to provide the Court with a status update on or before the expiration of the proposed 90 day period and, if the settlement negotiations are not successful, the parties will submit a proposed Revised Scheduling Order for the Court's consideration and approval.

Respectfully submitted,

/s/ Linda D. Friedman
